The Specifics

Picked on September 16th, the fruit was 100% de-stemmed and fermented in small 1.5/ton vessels. The wine spent a total of 21 days on skins before being pressed directly to barrel without settling. Once in barrel the wine spent 11-months resting on its lees in 33% New, 33% 1-year old and 33% 2-year old French oak barrels. Bottled December 2022.

Vineyards

Located in the Yamhill-Carlton AVA of the Northern Willamette Valley, Shea Vineyard is regarded as one of the best and most sought-after Pinot Noir vineyards in all of Oregon. Encompassing over 140 planted acres the fruit for our wine comes from a 1.57 acre portion of block 25. Located on the far western edge of Shea's west hill at an elevation of 500 feet. This 100% Wadensvil clone planting is one of the earliest ripening blocks of the vineyard.
